Please  
contact our  
manager, Peter, on  
**0151 652 4581**  
to arrange your  
viewing of the  
home!

**Our Dundoran Care Home provides exceptional care to meet the needs of all our residents.**

Our team work hard to provide a safe and secure environment, making sure to meet the individual needs of all the residents, enabling them to maintain independence and dignity.

Our home is located on Vyner Road South in Noctorum and has 32 well-furnished and tastefully decorated bedrooms of varying sizes. We work closely with you and your loved one to make their room feel more like home, and encourage residents to bring personal belongings, furnishings and pictures. All bedrooms have a TV aerial point, telephone socket and a nurse call bell. At Dundoran we can accommodate couples and those requiring en-suite facilities.

The home has numerous lounges, a lively dining room and a peaceful garden which is easily accessed.

## Our Care Philosophy

Our staff aim to uphold the highest standards of holistic and dementia care to all our residents, whilst also encouraging and maximising resident independence. We look to learn as much as we can about our new residents prior to them joining to provide the most suitable environment for them. Making sure all our staff are well-educated on every resident's specific

needs and requirements is vital for providing a safe and secure environment, so we also conduct regular assessments to update residents' personal care plans. Each resident is assigned a healthcare professional who will oversee their general care and make sure their wellbeing is upheld.
